▲ Select if you want to restrict ALL methods from the given carriers

▲ One method name per line, e.g Next Day Air

If you would like to limit only certain shipping methods, please do not select any carriers. Instead, specify the shipping methods to restrict. It is not mandatory to type the full name of the method here. You can just type 'Overnight' and the rule will apply to all methods of all carriers, which have the word 'Overnight' in the title.

Apply the rule only if the following conditions are met (leave blank for all products)

If ALL of these conditions are TRUE :

Subtotal equals or less than 100

Total Weight equals or greater than 50

Shipping State/Province is Yukon Territory

If total quantity equals or greater than 5 for a subselection of items in cart matching ALL of these conditions:

Category is one of 8, 12

SKU is one of MM-A900M, 8525PDA, sw810i

For example you can set the rule to apply when order subtotal is less than 100, weight is more than 50, delivery state is Hawaii or Alaska. You can specify SKUs, categories and other product attributes to limit delivery options for particular products.
